Will He Overcome the Shadows and Reclaim His Destiny?

Wesley Lewis' journey spans this world and beyond—from the simple country life of North Carolina to the dangerous streets of New York City, from warfare in the jungles of Viet Nam to covert global missions—as the battle rages for his soul, his soul mate and his destiny.

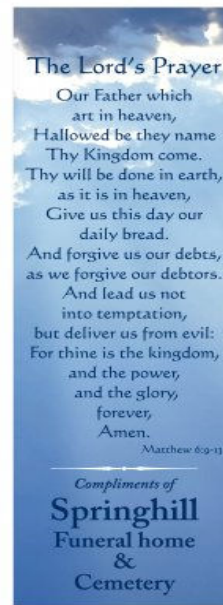

Alisa Lynn is a gifted author, socially active, entrepreneur and devoted wife, mother, grandmother and dutiful worshiper and worker in her local church. Having strong roots in the church from childhood, Alisa's passion for writing has been a personal outlet throughout her life, which has led to her most recent endeavor, the writing of this novel. In *The Shadows of Bliss*, After attending the University of Colorado at Boulder, she later met and married her soul mate, with whom she started a successful business in North Carolina. They have lived there for twenty-five years, enjoying the blessings of family and the simple things in life.
